PERSONAL INFORMATION

Name, First name MORABITO, Roberto
E-mail roberto.morabito@enea.it
Nationality Italian
Date of birth February 8, 1957

WORK EXPERIENCE

- 2015 -** Director of Department for Sustainability ENEA-SSPT
- 1998 -** Member of Panels of project evaluators for EC, INTAS, MURST/MIUR, CNR, Regione Piemonte, Regione Emilia Romagna.
- 1995 -** Member of referee panel of international scientific journal such as Analyst, Journal of Analytical Atomic Spectrometry (JAAS), Analytical Communications, Journal of Environmental Chemistry (JEM), Analytica Chimica Acta, Quimica Analitica, and referee for many other scientific journals.
- 1994 -** Contracting Professor at the University of Rome "La Sapienza" for the topic "Quality Control in Environmental Analysis" and, in different years, also at the University of Venice "Cà Foscari", University of Pisa, University of Sassari, University of Parma, University of Cagliari and University of Alessandria.
- 1992 -** Organizer and Chairman of national and international conferences, courses and workshops on chemical speciation and in the quality control fields.
- 1992 -** Invited to give lectures at International Conferences (more than 30) and member of the Scientific Committees of many International Conferences.
- 1991 -** Responsible of many projects funded by the European Commission (more than 25) in the field of environmental analytical chemistry with particular regard to speciation analysis and quality control tools.
- 1982 -** Author or co-author of more than 150 scientific papers published on international journals and books.
- 1981 -** Author or co-author of about 140 scientific communications at national and international conferences.
- 2010 - 2015** Head of Environmental Technology Technical Unit ENEA-UTTAMB
- 2008 - 2010** Head of Anthropic risk prevention and analysis Section ENEA-ACS/PROTANT.

2006 - 2009	Member of the scientific committee of IT-SUSCHEM Platform.
2004 - 2007	“Chairman” of the Virtual Institute for Reference Materials (VIRM).
1996 - 2005	Associate Editor of the Journal "Annali di Chimica - An International Journal of Environmental and Analytical Chemistry".
1996 - 2003	Member of “PhD Jury” and “Referee” of PhD Thesis in Spain and France.
1998 - 2002	Member of IUPAC Commission (International Union of Pure and Applied Chemistry) V.2 ("Commission on Microchemical Techniques" of the "Analytical Chemistry Division").
1996 - 2001	Member of the IRSA Italian National Committee for the standardization of analytical methods for water analysis and Chairman of the working group for the Quality of analytical data.
1996 - 2001	Coordinator of working group for Quality Control of analytical data of the IRSA Italian National Committee for the standardization of analytical methods for water analysis.
1996 - 2001	Coordinator of a five-years project for the evaluation of the environmental impact of the Italian base in Antarctica funded by Italian Ministry of Scientific Research.
1996 - 2000	Project Leader for “Organic contaminants in sediments” of "Analytical Quality Control and Assessment Studies in the Mediterranean Basin - AQUACON - MEDBAS PROJECT" EC Programme.
1995 - 1998	Responsible for ENEA of a three-years project for the protection and the safeguard of the Adriatic Sea funded by Italian Ministry of Scientific Research.
1994 - 1995	Head of Laboratory for Analytical methods development ENEA-AMB/ICR/MET.
1990 - 2005	Tutor of Master Thesis in Chemistry and Biology at “La Sapienza” University of Rome.
1987	Researcher at the Environmental Department of the Italian Agency for new technologies, energy and environment (ENEA).

EDUCATION AND TRAINING

1982	Degree in Chemistry at “La Sapienza” University of Rome - 110/110 cum laude
1987	PhD in Chemical Sciences at “La Sapienza” University of Rome
