

Curriculum Vitae

FIGRELLA TERENZI

PROFESSIONAL EXPERIENCE

Physics & Astronomy Instructor

Florida International University, Physics Dept Stocker Astro Center 206
University Park, Miami Florida 33199 USA

Internationally-renowned astrophysicist, author and recording artist, Dr. Fiorella Terenzi has a doctorate in physics from the University of Milan. In research at the Computer Audio Research Laboratory, University of California, San Diego, she pioneered techniques to convert radio waves from galaxies into sound - released by Island Records on her acclaimed CD "Music from the Galaxies". Her award-winning CD-ROM "Invisible Universe" and best-selling books "Heavenly Knowledge", "Musica Dalle Stelle", & "Der Kosmos ist weiblich" weave astronomy and music, science and art into a tapestry for the senses. She has appeared on CNN and in The Wall Street Journal, People, Time, and Glamour, and lectured at UCSD, Stanford, and MIT. Dr. Terenzi's ground-breaking video for Ermenegildo Zegna's Men's Collection was described by the New York Times as "Zegna's Very Big Bang", and her high-energy show "Let's Get Astrophysical", performed at the Miami Beach Centennial, featured the first Top-15 Stellar-Themed Song Countdown with songs from Muse, One Republic, Oasis, Incubus, Fallout Boys, Katy Perry and Hardwell. combined with live DJs, musicians, dancers, and acrobats, plus a laser light show.
