

CREATING VALUE FROM RESEARCH

THE EVOLVING ROLE OF KNOWLEDGE TRANSFER

ROME 16-19 SEPTEMBER 2019

THE CONFERENCE

The 2019 Netval Summer Conference will deal with the most important issues in knowledge transfer and has been designed for KT practitioners at international level. Netval is the Italian Network for the Valorisation of Research, with 81 members from universities, public research organizations and research hospitals. We welcome attendees from around the world.
